

Nero Range

The essence of our furniture is quality and reliability, which together with a five year guarantee ensures that your investment in the **Nero Range** will stand the test of time.

Our manufacturing is governed by a tried and tested quality assurance process, we use only the best materials, setting aside those which do not meet our exact standards.

We have used all of our expertise to produce the **Nero Range** – an exciting collection of ergonomically designed pieces to suit any office environment.

QUALITY WITH FLEXIBILITY

All manufactured in a choice of real wood veneers, the Nero range makes the beauty of real wood accessible for the whole office and enables desking areas to be co-ordinated with functional storage solutions in matching veneers.

All prices quoted are for standard oak/beech veneer. Other veneers priced on request.
